## **I. Acceptance**

The following terms and conditions set forth LOTTODDS' Privacy Policy, applicable to users of LOTTODDS' website ("Site"). By accessing the Site, you acknowledge and accept these terms and conditions. If you have any questions about this Privacy Policy, please free to contact LOTTODDS through the Site or write to us at LOTTODDS, INC. 319 Lafayette Street, Ste 161, New York, NY 10012.

## **II. Our Commitment**

LOTTODDS respects your concern about privacy. This privacy policy will tell you how we protect your personal information, and will describe the choices you have concerning our use of such information. Please read this policy carefully. We may need to change this policy from time to time in order to address new issues and reflect changes. We will post changes here so that you will always know what information we gather, how we might use that information, and whether we will disclose that information to anyone. Please refer to this policy regularly.

## **III. Online Information Gathering**

Information collected online is often defined as being either personally identifiable or anonymous:

- **Personally Identifiable Information:** Lets us know the specifics of who you are, such as your name, email address or postal address; it may also include your views and preferences as they relate to trademark issues and LOTTODDS' services
- **Anonymous Information:** Cannot be tied back to a specific individual.

Types of information collected by this site:

### **Personally Identifiable Information**

The choice of how much of your personally identifiable information is disclosed to LOTTODDS is left up to you.

The only way we know something about you is when you use a personalized service, such as login to the Site or you voluntarily disclose your information such as a credit card number, address, phone number, fax number, email address, demographic, and other personal and financial information when you transact business at our Site, post information, communicate by sending us an email, complete an LOTTODDS survey or fill in a form. This information is not available to the general public.

In some cases, such as on discussion boards, blogs or other public forums, any personal information you provide may become publicly available to employees of

LOTTODDS and possibly the general public. Users should be aware that when they voluntarily disclose such personal information (e.g. user name and email address as used in a signature line), that information can be collected and used by others and may result in unsolicited messages from other posters or parties.

Please note that if you are active in LOTTODDS, you may have been assigned or have created a username and password to be used for accessing the Site. This information is maintained by LOTTODDS to allow you to access the Site.

**Collection of IP addresses:** When visiting any Internet site your unique address, called an "IP address", is recorded. The amount of information about users made available from their IP addresses varies greatly, for instance depending on how they are connected to the Internet. LOTTODDS does not release any information about the collection of this address to any third parties.

**Survey Information:** Occasionally, LOTTODDS conducts surveys of its membership to assist in its strategic planning and development of its benefits and services. If you complete a LOTTODDS survey, the information you provide may be used by LOTTODDS to market or communicate with you on specific association related activities. Survey information will only be shared with third parties, including the membership at large, in aggregate.

#### **Anonymous Identifiable Information**

LOTTODDS collects and archives basic logging for site statistics. These log files show the daily number of visitors to our Site, the daily requests we receive for particular files, what server locations those requests come from, including from which countries, as well as the domain name of the server or browser accessing the LOTTODDS Site. These aggregated statistics are primarily used internally to provide better service to LOTTODDS members, but may also be provided to others.

#### **IV. Non-Disclosure**

LOTTODDS does not sell, rent, lend or give personally identifiable information collected from you on the Site. Although unlikely, LOTTODDS may be required by law enforcement or judicial authorities to provide personally identifiable information. In these cases, we will provide this information as and to the extent we have determined that the disclosure of any such information is legally appropriate.

#### **V. Accessing and Updating Personal Information**

When you use the Site, LOTTODDS makes a good faith effort to provide you with access to your personal information and either to correct this data if it is inaccurate or to delete such data at your request if it is not otherwise required to be retained by law or for legitimate business purposes. We ask individual users to identify themselves and the information requested to be accessed, corrected or removed before

processing such requests, and we may decline to process requests that are unreasonably repetitive or systematic, require disproportionate technical effort, jeopardize the privacy of others, or would be extremely impractical, or for which access is not otherwise required. In any case where we provide information access and correction, we perform this service free of charge, except if doing so would require a disproportionate effort. Because of the way we maintain certain services, after you delete your information, residual copies may take a period of time before they are deleted from our active servers and may remain in our backup systems.

## **VI. Cookies**

To enable certain features that may be available or become available on the Site, our server will assign your browser a unique identification number stored in a file on your computer (a “cookie”). Cookies by themselves cannot be used to find out the identity of any user. This unique identification number will automatically identify your browser to our computers whenever you interact on our Site. Most browsers are initially set up to accept cookies, but you can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some features of the Site may not function properly if your cookies are disabled.

## **VII. Links**

Users will find links to other sites or services on the Site. LOTTODDS does not control the content or links that appear on these sites. In addition, these sites or services, including their contents and links, may be constantly changing. The fact that we have made these links available to you is not an endorsement or recommendation to you by LOTTODDS. We provide these links only as a convenience.

Other companies linked to this Site may collect information about you when you view or click on these sites. We cannot control this collection of information. You should contact these content providers directly if you have any questions about their use of the information they collect. These sites and services may have their own privacy policies, or no policy at all. We encourage you to review the privacy policies of any third party sites or services before providing any of them with your personal information.

## **VIII. Information Security**

LOTTODDS takes appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These include internal reviews of our data collection, storage and processing practices and security measures, including appropriate encryption and physical security measures to guard against unauthorized access to systems where we store personal data.

## **IX. Changes to Privacy Policy**

Please note that this Privacy Policy may change from time to time. LOTTODDS will not reduce your rights under this Privacy Policy without your explicit consent. We will post any Privacy Policy changes on this page and, if the changes are significant, we will provide a more prominent notice.

**X. Waivers** LOTTODDS takes photographs and video for use in LOTTODDS news and promotional material, in print, electronic and other media, including the LOTTODDS website. Members grant LOTTODDS the right to use any image, photograph, voice or likeness, without limitation, in its promotional materials and publicity efforts without compensation. All media become the property of LOTTODDS. Media may be displayed, distributed or used by LOTTODDS for any purpose.

By registering for or attending any LOTTODDS' events, you agree to the collection, use, and disclosure of Personally Identifiable Information (PII). PII includes any information that identifies you personally (e.g. name, address, email address, phone number, etc.). LOTTODDS will use PII to: (a) enable your event registration; (b) review, evaluate and administer LOTTODDS initiatives; (c) market LOTTODDS opportunities you may be interested in and to (d) share your PII with third parties that perform services on behalf of LOTTODDS in connection with this event, including but not limited to, database management, event housing and transportation.
